I hate to say it's been a good time  
But I'd be lying if I said it wasn't true  
I hate say we've had a good run  
But I'd be lying if I said it's 'cause of you

Well I'll be damned if there's another man to take my  
place  
Well I'll be damned if there's another man  
A better man, but you  
You, you got to get out of here  
You' You got to get out of here  
Out of here

Yea I got nothing to lose  
'Cept maybe my keys and my shoes  
You've got nothing better to do  
And I've got nothing to lose

I hate to say it's been a long road  
It was long and hard and troublesome, it's true  
I hate to say that I've been here before  
But I'd be lying if I said it's 'cause of you

Well I'll be damned if there's another man to take my  
place  
Well I'll be damned if there's another man  
A better man, but you  
You, you got to get out of here  
You' You got to get out of here  
Out of here

Yea I got nothing to lose  
'Cept maybe my keys and my shoes  
You've got nothing better to do  
And I've got nothing to lose

You've got to get out of here  
You, you've got to get out of here

Yea I got nothing to lose  
'Cept maybe my keys and my shoes  
You've got nothing better to do

And I've got nothing to lose

I hate to say it's been a good time  
But I'd be lying if I said it wasn't true
