It's a big job just gettin' by with nine kids and a wife  
I been a workin' man dang near all my life  
I'll be working long as my two hands are fit to use  
I'll drink my beer in a tavern,  
Sing a little bit of these working man blues  
I keep my nose on the grindstone, I work hard every  
day  
Might get a little tired on the weekend, after I draw my  
pay  
But I'll go back workin, come Monday morning I'm right  
back with the crew  
I'll drink a little beer that evening,  
Sing a little bit of these working man blues  
Hey hey, the working man, the working man like me  
I ain't never been on welfare, that's one place I won't be  
Cause I'll be working long as my two hands are fit to  
use  
I drink a little beer in a tavern  
Sing a little bit of these working man blues  
Sometimes I think about leaving, do a little bummin  
around  
I wanna throw my bills out the window catch a train to  
another town  
But I go back working I gotta buy my kids a brand new  
pair of shoes  
Yeah drink a little beer in a tavern,  
Cry a little bit of these working man blues  
Hey hey, the working man, the working man like me  
I ain't never been on welfare, that's one place I won't be  
Cause I'll be working long as my two hands are fit to  
use  
I drink a little beer in a tavern  
Sing a little bit of these working man blues  
Yeah drink a little beer in a tavern,  
Cry a little bit of these working man blues
