I'm tired of this dirty old city
Entirely too much work and never enough play
And I'm tired of these dirty old sidewalks
Think I'll walk off my steady job today

Turn me loose, set me free, somewhere in the middle
of Montana
And gimme all I got comin' to me
And keep your retirement and your so called social
security
Big city turn me loose and set me free

Been working everyday since I was twenty
Haven't got a thing to show for anything I've done
There's folks who never work and they've got plenty
Think it's time some guys like me had some fun

So turn me loose, set me free, somewhere in the
middle of Montana
And gimme all I got comin' to me
And keep your retirement and your so called social
security
Big city turn me loose and set me free
Hey, big city turn me loose and set me free
