CC water back, one tequila sunrise
One for my aching head, the other for my blood shot
eyes
Well last night I let it all hang out, least that's how my
head got sore
CC water back I can't stand the pain no more

Last night we got invited to a party at the Jones' place
For fun and games and booze and things I guess I
must have drank a case
Well that lady of mine she drank one red wine and she
couldn't even find the door
She wound up in old Jones' bed and I wound up on the
floor

CC water back, one tequila sunrise
One for my aching head, the other for my blood shot
eyes
Well last night we let it all hang out, least that's how our
heads got sore
CC water back I can't stand the pain no more

CC water back, one tequila sunrise
One for my aching head, the other for my blood shot
eyes
Well last night I let it all hang out, least that's how my
head got sore
CC water back I can't stand the pain no more
