I've been throwing horseshoes over my left shoulder  
I've spent most all my life, searching for that four-  
leafed clover  
Yet you ran with me, chasing my rainbows  
Honey I love you too and that's the way love goes

That's the way love goes, babe, that's the music God  
made  
For all the world to sing, it's never old it grows  
Losing makes me sorry, you say, "Honey, now don't  
worry  
Don't you know I love you too and that's the way love  
goes"

That's the way love goes, babe, that's the music God  
made  
For all the world to sing, it's never old it grows  
Losin' makes me sorry you say, "Honey don't worry  
Don't you know I love you too and that's the way love  
goes"
