If the world keeps on turning as I'm sure it's bound to
do

Then I'll keep on loving you

If the dawn comes tomorrow and we know that it's true

Then I'll keep of loving you

But what the thing changes sky should fall

The dawn wouldn't come, the world wouldn't stall

I wouldn't care as long as you're near

It wouldn't matter to me at all

If the stars stay in heaven and the moon stays in the
blue

Then I'll keep of loving you

If ever should lose you then I know just what I'll do

I'll just keep on loving you

You're heaven to me dear, you my every dream come
true

And I'll keep of loving you

Life is so sweet when you are near

I couldn't do without you my dear

I love you so I want you to know

I think of you wherever I go

I will always be faithful and I'm sure that you'll be too

And I'll keep of loving you
