Corina, Corina
Where you been so long?
Corina, Corina
Where you been so long?
I've been so worried about you, coquito
When are you coming home?

Corina, Corina
Where did you sleep last night?
You come back around this morning
Clothes don't fit you right

I got a bird that whistles
I got a bird that sings
I got a bird that whistles
I got a bird that sings
Oh without you Corina, this life don't mean a thing

Corina, Corina
Listen, you make me blue
Corina, Corina
Listen, you make me blue
Miss Figueroa-Escamilla
Hey, I'm talking to you!

Corina, Corina
Where have you been so long?
Mi querida, Corina
Where you been so long?

You're way out there in Toluca
I'm trapped in Tepoztlán
You're way out there in Toluca
I'm trapped in Tepoztlán
