My favorite book is TV Guide. My favorite band is no longer alive. I live with twenty machines. I wish I lived with twenty wives. If you're wondering where the fuzz is... And you're wondering where the raps are... Then you never really knew mw. How can you rate me only one star? I never eat red meat at all. I stay away from crowded malls. My indie label's called Channel three. Critics like you get the albums for free. But you're still wondering where the fuzz is. I wrote songs for a few pop groups. I play the drums not just sample loops. When I kick back I drink herbal tea. But that's now what you want to know about me. No. You're wondering where the fuzz is
