"Fools Like Me"

Everybody tells me
Love is bli-i-ind
Maybe it's so
But I refuse to see
Everybody tells me
Things you lose
But I don't care
'Cause I'm a fool for you

Maybe lovin' you
Is not so smar-ar-art
Maybe in the end
You'll break my heart
I really shouldn't love you
But I do
But I can't stop
'Cause I'm a fool for you

It doesn't really matter
What you are-are-are
It only matters
What you are to me
Baby, I'm not
Wise enough to see
But where would love be
Without fools like me

It doesn't really matter
What you are-are-are
It only matters
What you are to me-ee-ee
Baby, I'm not
Wise enough to see
But where would love be
Without fools like me
