When the night is cold
And my arms want someone to hold
I think of you
When the rain is falling
I hear you calling to me
I think of you

I think of you every minute
I lie awake each lonely night
I think of you, yeah that day
You walked away and out of sight

Well now my arms just long to hold you
Like they used to do-oo before
I'm a broken man
Now you don't love me no-o more

Now the night is cold
And my arms want someone to hold
I think of you
Now the rain is falling
I hear you calling to me
I think of you

I think of you every minute
I lie awake each lonely night
I think of you, yeah that day
You walked away and out of sight

Well now my arms just long to hold you
Like they used to do-oo before
I'm a broken man
Now you don't love me no-o more

When the night is cold
And my arms want someone to hold
I think of you
When the rain is falling
I hear you calling to me
I think of you
I think of you
