Went to the fortune teller  
Had my fortune read  
I didn't know what to tell her  
I had an inner feelin' in my head

Soon she took a look in my palm  
She said sonny you feel kinda warm  
And she looked into her crystal ball  
And said you're in lo-o-o-o-ove

My status could stop this show  
I'm not for all the girls I know  
And she said when the next one arrives  
You'll be lookin' in her eyes

Ahh-ahh-ahh-ah-ah  
Ahh-ahh-ahh-ah-ah

I left there in a hurry  
Lookin' forward to my big surprise  
The next day I discovered  
That the fortune teller told me lies

I hurried back down to that woman  
Mad as I could be  
I told her, didn't see nobody  
Why had she made a fool of me

Then somethin' struck me  
As if it came from up above  
While lookin' at the fortune teller  
I fell in lo-o-o-o-ove

Now I'm a happy fella  
I'm married to the fortune teller  
We're happy as we can be  
And now I get my fortune told for free

Ahh-ahh-ahh-ah-ah  
Ahh-ahh-ahh-ah-ah  
Ahh-ahh-ahh-ah
