My Defender  
Protect me once again  
My Defender  
Are all my fears the same  
What changes between two people  
When you're pulling their hands apart  
What changes between two people  
Happy times  
Trusting minds  
My Defender  
Save me from myself  
My Defender  
The sickness and the wealth  
What changes when words are spoken  
Enough poison for both to share  
What changes a promise broken  
It's everywhere  
Does no-one care?  
Did you read my mind  
Or did I fall in one outpouring  
Never unkind  
I stopped trusting  
All for nothing  
My Defender  
Pure is just a word  
My Defender  
Cynical and hurt  
What changes between the covers  
What secrets are left unsaid  
What happens when nothing changes?  
Is everything spoiled  
Is everything dead  
What changes between the covers  
What secrets are left unshaped  
What happens when nothing changes?  
Is everythin g spoiled  
Is everything dead  
What changes between two people  
Happy times  
Happy times
