The things you never saw
They didn't hurt you
I loved you once before
I never lied to you
And you're biting back at me
And I'm sick enough to see
That it won't be you that breaks it
Because you'll never sit and take it
Retaliation
For all the voices in your head
Was I mistaken?
In all the things I never said
Retaliation
For all the times I never bled
The things I've taken
To cure the poison
Brush the pain aside
It didn't happen
Calm the voice inside
I never got to you
And you're writing on your skin
That
