It's a fool's game
It's a rat race
Are you tempted
To be rented?
It's a clique fest
Lover undress
Are you stable?
Am I able?

Only you can press that button
Only you can press that button today

She say's "One more? Just what you are scared of?"
He says "What for? I still love you the same"
She say's "One more? Just what you are scared of?"
He says "What for? I still love you the same"

Can you face it
When you're wasted

Are you sober
Before it's over
Carbon dated
Over-rated
Carton flavoured
Little "Miss Behaviour"

Only you can press that button
Only you can press that button today
