You say you won't be frightened,  
And turn to your hate to rage,  
but time is not a virtue that you gave me,  
and I won't say it's safe but I'm in dire need.  
I'm down on my knees yeah.  
Who wants the love, Who wants the hate?  
We just need it cause the world will never change.

And all you ever wanted...my love...  
And all you ever needed...my love...  
And all my time was wasted....  
Not today, but maybe tomorrow,  
Not today, but maybe tomorrow,  
Maybe tomorrow, you won't be around to let me down.

You say you won't be tortured.  
You say you won't be torn,  
but time is a virtue that I gave you,  
and I won't say it's safe, but I'm in dire need.  
I'm begging you please.  
Who wants the love, Who wants the hate?  
We just need it cause the world will never change.

And all you ever wanted...my love...  
And all you ever needed...my love...  
And all my time was wasted....  
Not today, but maybe tomorrow,  
Not today, but maybe tomorrow,  
Maybe tomorrow, you won't be around to let me down.

And all you ever wanted...my love...  
And all you ever needed...my love...  
And all you ever wanted...my love...  
And all my time was wasted...  
Not today, but maybe tomorrow,  
Not today, but maybe tomorrow..  
Maybe tomorrow, you won't be around to let me down.  
Not today, Not today,  
(The world will never change)  
Let me down  
Not today, Not today,  
(The world will never change)

Let me down  
Not today, Not today,  
(The world will never change)  
But maybe tomorrow.
