"The Purest People"

I never liked the hand you dealt me
Until I felt the ice inside you melt for me
The purest Feelings ever felt
The purest feelings ever felt

Just close your eyes my dear
And listen to the rain
Just hope tomorrow comes
And takes away the pain

You feel like new
You always do

I've stood outside your closing door
But I'll never stand there any more
The purest people ever made
The purest plans that were ever laid

So don't make me crawl
Because it's far enough to fall
And the devil takes his time
Eventually you're mine
So don't make me crawl
Because it's far enough to fall

And the nights are closing in
Won't you let the fun begin

Nothing ever seems to hurt
When you're used to scratching in the dirt
But now my fears are always close
My darkest thoughts are so exposed

Just turn the lights off dear
And don't forget to pray
Just hope tomorrow comes
And everything's the same

It always is
It always is

So don't make me crawl
Because it's far enough to fall
And the devil takes his time
Eventually you're mine
So don't make me crawl
Because it's far enough to fall
And the nights are closing in
Won't you let the fun begin
