What are you going to do  
What are you going to say  
Nothing can bring her back to you  
No one can make her stay with you

How are you going to live  
With nobody on their knees  
Hanging on every word you say  
Nothing but you to fill their day

She doesn't want you  
(Why don't you see it)  
She doesn't want you  
(Just don't believe it)  
She doesn't need you  
(Why don't you see it)  
She doesn't need you  
(Just don't believe it)  
She doesn't need you

Didn't you have enough  
Didn't she give it all  
No one deserves to live like that  
Getting their way to hell and back

She doesn't want you  
(Why don't you see it)  
She doesn't want you  
(Just don't believe it)  
She doesn't need you  
(Why don't you see it)  
She doesn't need you  
(Just don't believe it)

Only time will  
Be the judge of  
You

She doesn't want you  
She doesn't want you  
She doesn't need you

(Why don't you see it)  
She doesn't need you  
(Just don't believe it)  
(Why don't you see it)  
(Just don't believe it)

She doesn't want you  
She doesn't want you
