

Mesh Stl "Gray"

Visit "[Gray](#)" on MotoLyrics.com

Every time that you call my name
It's a shame
And every time that we play this game
You're to blame
Just give me your undivided attention
That's all I'm asking
It seems all the time you're so confused
I don't need your affection

Well sometimes everyone sees gray
Well I don't need to change
Sometimes everyone sees gray

And every time that you're to blame
It's a shame
And every time that you feel ashamed
It seems so fake
Just look me in the eyes one time
That's all I'm asking
It seems all the time you're so confused
I don't need your affection

Well sometimes everyone sees gray
Well I don't need to change
Sometimes everyone sees gray
It's okay, yeah

Well I think I've hit the ground
But please don't get me wrong
I don't need to change

Well sometimes everyone sees gray
Well I don't need to change
Sometimes everyone sees gray
It's okay, yeah

Well sometimes everyone sees gray
You know I don't need to change
Sometimes everyone sees gray
It's okay, yeah

I don't need to change

I don't need to change
I don't need to change
I don't need to change
I don't need to change
Sometimes everyone sees gray
Sometimes everyone sees gray
Sometimes everyone sees gray
