I don't know  
I don't know  
Soul searching for the things I never realize  
Everything has been so strange up to these lies  
Just keep saying everything I want to hear

Is this the face that you wanted to see?  
Is this the place that you want to be?  
Is there anybody out there who can help me?  
Help me

I don't know  
Don't you think that this is driving me insane?  
I don't know  
Don't you think that I will find another way?

Soul searching for the things I never realize  
Everything has been so strange up to these lies  
Just keep saying everything I want to hear

'Cause I don't know  
Don't you think that this is driving me insane?  
I don't know  
Don't you think that I will find another way?  
I don't know  
It's hard to think that I will never live again  
It's hard to think that you don't like the things I've said  
Don't you think that it's driving me insane?

Is this the place that you want to see?  
Is this the face that you want to be?  
Is there anybody out there who can help me?  
Help me

I don't know  
Don't you think that this is driving me insane?  
I don't know  
Don't you think that I will find another way  
I don't know  
It's hard to think that I will never live again  
It's hard to think that you don't like the things I've said  
Don't you think that it's driving me insane?

I don't know  
I don't know  
I don't know  
I don't know
