You say you won't be frightened  
Or turn your hate to rage  
But time is not a virtue that you gave me  
And I won't say it's safe, but I'm in dire need  
I'm down on my knees, yeah

Who wants the love?  
Who wants the hate?  
But we just need it 'cause the world will never change

And all you ever wanted, my love  
And all you ever needed, my love  
And all my time is wasted

Not today, but maybe tomorrow  
Not today, but maybe tomorrow  
Maybe tomorrow you won't be around to let me down

You say you woun't be tortured  
You say you won't be torn  
But time is the virtue that I gave you  
And I won't say it's safe, but I'm in dire need  
I'm begging you please

Who wants the love?  
Who wants the hate?  
But we just need it 'cause the world will never change

And all you ever wanted, my love  
And all you ever needed, my love  
And all my time is wasted

Not today, but maybe tomorrow  
Not today, but maybe tomorrow  
Maybe tomorrow you won't be around to let me down

And all you ever wanted, my love  
And all you ever needed, my love  
And all you ever wanted, my love  
And all my time was wasted

Not today, but maybe tomorrow

Not today, but maybe tomorrow  
Maybe tomorrow you won't be around to let me down

Not today, not today (to let me down)  
Not today, not today (to let me down)  
Not today, not today (to let me down)  
But maybe tomorrow
