Lying here with you, listening to the rain
Smiling just to see a smile upon your face
And these are the moments, I thank God, that I'm alive
And these are the moments, I'll remember all my life

I found all I've waited for
And I could not ask for more

Looking in your eyes, seeing all I need
Girl, I think you are, is everything to me
These are the moments, I know heaven must exist
And these are the moments, I know all I need is this

I have all I've waited for
And I could not ask for more

I could not ask for more than this time together
Could not ask for more than this time with you
And every prayer has been answered
And every dream that has come true

Yeah, right here in this moment
Is right where I'm meant to be
Oh, here with you, here with me

And these are the moments, I thank God, that I'm alive
And these are the moments, I'll remember all my life
I've got all, I've waited for
And I could not ask for more

I could not ask for more than this time together
Could not ask for more than this time with you
And every prayer has been answered
And every dream that has come true

Yeah, right here in this moment
Is right where I'm meant to be
Here with you, here with me

Could not ask for more than the love you gave me
'Cause it's all, I've waited for
And I could not ask for more, more

And I could not ask for more
