Baby, what do you say we just get lost
Leave this one horse town like to rebels without a cause
I've got people in Boston, Angel Daddy is still in Des
Moines
We can pack up tomorrow, tonight let's flip a coin
Heads Carolina, tails California
Somewhere greener, somewhere warmer
Up in the mountains, down by the ocean
Where, it don't matter as long as we're going
Somewhere together, I've got a quarter
Heads Carolina, tails California
We can throw what we own in the back of a U-Haul van
A couple modern day Moses, searching for the promise
land
We can go for a hundred miles before we stop for gas
We can drive for a day and then we'll take a look at the
map
Heads Carolina, tails California
Somewhere greener, somewhere warmer
Up in the mountains, down by the ocean
Where, it don't matter as long as we're going
Somewhere together, I've got a quarter
Heads Carolina, tails California
