You show no respect in my growing of age  
No longer a kid in a pink painted cage  
Why don't you stop with your wise smart speech  
Won't listen no more to all the rubbish you teach

Tameless and stronger than ever before  
My fuel is injected  
Walking the straight line gonna take what I see  
This is the difference between you and me  
Don't expect I join your way  
Time to accept me here and today

Set my puppets on fire I stop to play  
Threw my life guide to the wall  
And keep the faith to what I say  
I'll be successful in all that I do  
Someday believe me  
My dreams will come true

Don't expect I join your way  
Time to accept me here and today  
Don't expect I join your way  
Time to accept me here and today

Sharp as steel sting the night  
Feel the power grow inside  
Pride you feel deep within  
Flesh and blood  
Mortal sin
