I gave you everything I had  
Oh, but it wasn't enough  
It don't seem right to hurt so bad  
When all you're giving is love  
You wouldn't let me love you  
You're just too hard to hold  
I gotta break the chains that bind me

So I'm

CHORUS

Gonna take a cab, take a train  
Maybe a limousine  
Anything to get me out of here  
Ain't no way around it  
Oh, no doubt about it  
One thing is clear  
Oh, there's no time for tears  
Oh no

A wall too steep  
Too high to climb  
Is protecting your heart  
I tried to break through  
Time after time  
Oh, but it keeps us apart  
I've cried enough to know that  
It's killing me to stay  
I'd rather be alone  
Than hurt this way

Chorus

The time has come  
To move ahead  
And find what waits for me  
Ooh, whoa, whoa  
Gonna take a cab, take a train  
Maybe a limousine  
Anything to get me out of here  
Ain't no way around it  
Oh, no doubt about it  
One thing is clear  
Oh, there's no time for  
No time for no time for  
There's no time for tears

Oh no  
No time for tears  
Yeah  
No time for no time for tears  
No time for tears  
Oh no no no no
