He left me crying late on Sunday night, outside of
Bolder
He said he, had to find himself out of the road
I guess when loves goes wrong, You gotta learn to be
strong

So I worked two jobs and I moved three times
I ended up south of Memphis workin down in Riverside
I may not be so lucky in love, but the one thing I'm sure
of

Chorus:

I wanna man who stand beside me
Not in front of or behind me
Give me two arms that want to hold me, not own me
Then I'll give all the love in my heart
Stand beside me
Be true don't tell lies to me
I'm not lookin' for a fantasy
I wanna man who stand beside me

I didn't expect to see him, one hot July mornin
His hair was longer but his eyes were the same old blue
He said I've missed you for so long, oh baby what can I
do

Said, I wanna man who stand beside me
Not in front of or behind me
Give me two arms that want to hold me, not own me
Then I'll give all the love in my heart

Oh, It's hard to tell him, No when I want him so bad
But I've got to be true to my heart
This time, Oh...

I'm not lookin' for a fantasy
I want a man who stands beside me
I want a man
Who stands beside me
Stand beside me
Stand beside me
