I'm feeling good I'm feeling fine
This must be it this is a sign
What a high oh what a rush
Look at what you're doin you're making me blush yeah

Pure things in life where everything's sweet Laughter and fun every time we meet My lips form a smile my hearts all a glow Tell me is this love or something I should know

Summer's day so bright and new I just wanna be cool with you The way you got your eyes on me Makes me melt but you can't see oh

Just chillin oh my heart's pumpin Crazy feelin you you got me shakin Could be a crush something destiny wrote I feel the rush together let's flow

## Chorus:

Tell me is it love (could be a crush)
Tell me is it love (yeah i feel the rush)
Tell me is it love (oh baby)
Pa pa rap pap pap (love ko 'to)
Tell me is it love (destiny wrote)
Tell me is it love (together let's flow)
Tell me is it love (ooh yeah)
Pa pa rap pap pap
Love ko 'to

## Rap:

Like everything you've ever imagine
My crushy crush you mushy mush
Do you feel the rush
I could never be the same this way really

You're so sweet 'cause you're my baby
I'm feeling good I'm feeling fine
This must be it this is a sign
What a high oh what a rush
Look at what you're doin you're making me blush yeah
