Make the communion happen, you and the divine
The most blissful moment, lose your mind
The beauty of being lost within yourself
Enter the beyond
Into the vast harmony you will melt
It's your religion!

Sense the Ocean Man
The energy called freedom
His silent eternal tides
They shape you into an Art of Life

Let go of those repressions
Fly to salvation
Walk into the aura of the sensual presence

Sense the Ocean Man
The energy called freedom
His silent eternal tides
They shape you into an Art of L
