I'm going to make you, shake you, take you
I'm going to be the one who breaks you
Put the screws into you, yeah, my way
Yeah, come on and come on, come on, make my day
Make my day

Got some hell to pay, I steal your thunder
The joy of violent movement pulls you under
Bite the bullet, well hard
Yeah, but I die harder, so go too far
Too far

Friction, fusion, retribution
I can't hear you, talk to me
I can't hear you, so talk to me
I can't hear you, are you talking to me? (2x)
I can't hear you, time to meet my lord
I can't hear you, talk to 2x4

I'm going to make you, shake you, take you
I'm going to be the one who breaks you
Put the screws into you, my way

Hey, come on and come on, come on, make my day
Make my day

Friction, fusion, retribution
I can't hear you, talk to me
I can't hear you, come talk to me
I can't hear you, are you talking to me? (2x)
I can't hear you, time to meet my lord
I can't hear you, talk to 2x4

Talk to 2x4
It don't take no more
Come on
Talk to 2x4

Friction, fusion, retribution
I'm going to make you talk to me
I'm going to trick you, so talk to me
I can't hear you, are you talking to me?

I can't hear you, you talking to me?
I can't hear you, time to meet my lord
I can't hear you, talk to, talk to 2x4
She don't take no more
