Luck. Runs. Out.

Crawl from the wreckage one more time

Horrific memories twist the mind

Dark, rugged, cold and hard to turn

Path of destruction, feel it burn

Still life

Incarnation

Still life

Infamy

Hallucination

Heresy

Still you run, what's to come?

What's to be?

'Cause we hunt you down without mercy

Hunt you down all nightmare long

Feel us breathe upon your face

Feel us shift, every move we trace

Hunt you down without mercy

Hunt you down all nightmare long, yeah

Luck. Runs. Out!

You crawl back in

But your luck runs out-ahh

Luck. Runs. Out.

The light that is not light is here

To flush you out with your own fear

You hide, you hide, but will be found

Release your grip without a sound

Still life

Immolation

Still life

Infamy

Hallucination

Heresy

Still you run, what's to come?

What's be?

'Cause we hunt you down without mercy
Hunt you down all nightmare long
Feel us breathe upon your face
Feel us shift, every move we trace
Hunt you down without mercy
Hunt you down all nightmare long
Luck. Runs.

You crawl back in
But your luck runs out

Then you crawl back in
Into your obsession
Never to return
This is your confession

Hunt you down without mercy
Hunt you down all nightmare long
Feel us breathe upon your face
Feel us shift, every move we trace
Hunt you down without mercy
Hunt you down all nightmare long, yeah
Luck. Runs. Out!

You crawl back in
But your luck runs out

Your luck runs out!
