(Kilmister/Clarke/Taylor/Farren)
(Originally recorded by Motorhead)

Hey babe, don't act so scared
All I want is some special care
On the run from some institution
All I want is some constellation
And I can tell by his face
I'm a total disgrace
Put me inside this place
Move over for a damage case
Hey babe, wait a minute, stop
Don't run away, don't call a cop
I ain't looking to victimize you
All I want to do is tantalize you

I can tell by your face
I'm all over this place
And I can tell by your face
Got no time for a damage case
No time, baby!
Hey babe, don't turn away
I'm here tomorrow, gone today
I don't know what you think your game is
I don't care of what your name is
And I can tell by his face
You're all over the place
And I can tell by his face
Move over for a damage case
Get the fuck over man!
[All right!]
