Do you see what I see?  
Truth is an offense  
You silence for your confidence

Do you hear what I hear?  
Doors are slamming shut  
Limit your imagination  
Keep you where they must

Do you feel what I feel?  
Bittering distress  
Who decides what you express?

Do you take what I take?  
Endurance is the word  
Moving back instead of forward  
Seems to me absurd

Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say

Independence limited  
Freedom of choice is made for you, my friend  
Freedom of speech is words that they will bend  
Freedom with their exception

Do you fear what I fear?  
Living properly  
Truths to you are lies to me

Do you choose what I choose?  
More alternatives  
Energy derives from both the plus and negative

Do you need what I need?  
Boundaries overthrown  
Look inside  
To each his own

Do you trust what I trust?

Me, myself and I  
Penetrate the smoke screen  
I see through the selfish lie

Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say

Independence limited  
Freedom of choice is made for you, my friend  
Freedom of speech is words that they will bend  
Freedom with their exception

(Bridge and solo)

Do you know what I know?  
Your money and your wealth  
You silence just to hear yourself

Do you want what I want?  
Desire not a thing  
I hunger after independence  
Lengthen freedom's ring

Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say

Independence limited  
Freedom of choice is made for you, my friend  
Freedom of speech is words that they will bend  
Freedom no longer frees you

Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say
