Life it seems, will fade away
Drifting further everyday
Getting lost within myself
Nothing matters no one else
I have lost the will to live
Simply nothing more to give
There is nothing more for me
Need the end to set me free

Things not what they used to be
Missing woman inside of me
Deathly loss this can't be real
Cant stand this pain I feel
Emptiness is filling me
To the point of agony
Growing darkness taking dawn
I was me, but now he's gone

No one but me can save myself, but it's too late
Now I can't think, think why I should even try

Yesterday seems as though it never existed
Death greets me warm, now I will just say goodbye
