Do unto others  
As they've done to you  
But what the hell is  
This world coming to?

Blow the universe  
Into nothingness  
Nuclear warfare  
Shall lay us to rest

Fight fire with fire  
Ending is near  
Fight fire with fire  
Bursting with fear

We all shall die

Time is like a fuse  
Short and burning fast  
Armageddon's here  
Like said in the past

Fight fire with fire  
Ending is near  
Fight fire with fire  
Bursting with fear

We all shall die

Soon to fill our lungs  
The hot winds of death  
The Gods are laughing  
So take your last breath

Fight fire with fire  
Ending is near  
Fight fire with fire  
Bursting with fear

Fight fire with fire  
Fight fire with fire  
Fight fire with fire

Fight fire with fire

Fight fire with fire

Fight fire with fire

Fight fire with fire

Fight fire with fire

Fight
