Yeah

Dolls of voodoo all stuck with pins  
One for each of us and our sins

So you lay us in a line  
Push your pins  
They make us humble  
Only you can tell in time  
If we fall or merely stumble

But tell me  
Can you heal what father's done?  
Or fix this hole in a mother's son?  
Can you heal the broken worlds within?  
Can you strip away so we may start again?

Tell me, can you heal what father's done?  
Or cut this rope and let us run?  
Just when all seems fine and I'm pain free  
You jab another pin  
Jab another pin in me

Yeah  
Mirror, mirror upon thy wall  
Break this spell or become the doll

See you sharpening the pins  
So the holes will remind us  
We're just the toys in the hands of another  
And in time the needles turn from shine to rust

But tell me  
Can you heal what father's done?  
Or fix this hole in a mother's son?  
Can you heal the broken worlds within?  
Can you strip away so we may start again?

Tell me, can you heal what father's done?  
Or cut this rope and let us run?  
Just when all seems fine and I'm pain free  
You jab another pin  
Jab another pin in me

Jab it...

Here come the pins...

(Kirk slide solo)

Blood for face  
Sweat for dirt  
Three X's for the stone

To break this curse  
A ritual's due  
I believe I'm not alone

Shell of shotgun  
Pint of gin  
Numb us up to shield the pins

Renew our faith  
Which way we can  
To fall in love with life again  
To fall in love with life again  
To fall in love with life again  
To fall in love  
To fall in love  
To fall in love with life again

So tell me  
Can you heal what father's done?  
Or fix this hole in a mother's son?  
Can you heal the broken worlds within?  
Can you strip away so we may start again?

Yeah, tell me, can you heal what father's done?  
Or cut this rope and let us run?  
Just when all seems fine and I'm pain free  
You jab another pin  
Jab another pin in me, yeah!

No more pins in me, yeah!  
No more, no more pins in me  
No more, no more pins in me  
No more, no more, no more  
No, no, no...
