If I could have my wasted days back  
Would I use them to get back on track?  
Stop to warm at karma's burning  
Or look ahead but keep on turning

Do I have the strength  
To know how I'll go?  
Can I find it inside  
To deal with what I shouldn't know?

Could I have my wasted days back?  
Would I use them to get back on track?

You live it or lie it  
You live it or lie it  
You live it or lie it  
You live it or lie it

My lifestyle determines my death style

I've worn out always being afraid  
An endless stream of fear that I've made  
Treading water full of worry  
This frantic tick tick talk of hurry

Do I have the strength

To know how I'll go?  
Can I find it inside  
To deal with what I shouldn't know?

Worn out always being afraid  
An endless stream of fear that I've made

You live it or lie it

You live it or lie it  
You live it or lie it  
You live it or lie it
