"Fuel For Fire Fuel Demo"

This is a pre-release demo type thing of Fuel called 'Fuel for Fire', it sounds just like fuel, but the vocal track has been replaced with some older lyrics. This includes completely different verses from the final version. This version is available on some of the Fuel singles

Gimme fuel, gimme fire, gimme that which I desire!
Turn on the dynamo, into the wild I go,
No other place I know, I know.
Turn on I see red,
Warhorse, Warhead,
Throttle up for speed ahead, yeah ahead.

CHORUS:

Ooooh, on I burn,
Fuel these pumping engines,
Burning hard, loose and clean,
And on I burn, turning my direction,
Quench my thirst with gasoline.

Gimme fuel, gimme fire, gimme that which I desire,
Can't fight the need for speed,
I'm loose, I'm clean, I'm burning lean and mean, and mean.
Ignite the open trail,
Excite, exhale, comin' on, hot from hell, yeah hot from hell.

CHORUS

Gimme fuel, gimme fire, gimme that which I desire,
Oooh, yeah-heh.

SOLO1

On I burn!

SOLO2

On, and on, and on..
Give me fuel,
On, and on, and on..

Give me fire,
On, and on, and on..
My desire,
On, and on, and on..

CHORUS

Gimme fuel, gimme fire, gimme that which I desire!
