Strole through graveyard rows
Row after row
Stone without soul
Or sorrow.

Empty, are they?
DEATH, Won't you let, me, stay.
Empty, are they?
DEATH, Won't you call, my, name.

Angelhead, i'm already dead
It's just the funeral i've been waiting for
Angelface, ???? full of grace
Touch me so we'll be together, forever
and ever, and evermore.

Crow the lonely crow
I think he knows
I'm lonely too
So lonely

Empty, are they?
DEATH, Won't you let, me, stay.
Empty, are they?
DEATH, Won't you call, my, name.

Angelhead, i'm already dead
It's just the funeral i've been waiting for
Angelface, ???? full of grace
Touch me so we'll be together, forever
and ever, and evermore.

Is that rain or are they tears
That stain this concrete face for years
The crying, weeping, shedding all
It's fall to winter
Back to fall.

An heir of freshly broken ground
A concrete angel ???? down
Upon the new stone with my name

It's peace at least
Oh, peace at last.

[solo]

Empty, are they?
DEATH, Won't you let, me, stay.
Empty, are they?
DEATH, Won't you call, my, name.

Angelhead, i'm already dead
It's just the funeral i've been waiting for
Angelface, ???? full of grace
Touch me so we'll be together, forever
and ever, and evermore.
