

# Metallica "Helpless"

Visit "[Helpless](#)" on MotoLyrics.com

Originally performed by Diamond Head  
I gotta see you moving fast  
See you come my way  
See the dreams, I hope they last  
Never fade away.

Gotta see the lights above  
Make it loud tonight  
Gotta set it all a-fire  
Set it all a-light

See the flashing lights  
Hear the thunder roar  
I am gonna set you all a-light  
Gotta make it man  
I ain't got a choice  
Gotta fill this hall tonight

Helpless  
Helpless  
Helpless  
Helpless

I don't what I'm gonna do  
Maybe not tonight  
Gotta set you all a-fire  
Gotta treat you right.

I can see the flashing lights  
Lit before your love, ohh  
Gotta hear the thunder roar  
Coming from above.

See the flashing lights

Hear the thunder roar  
I'm gonna set you all alight  
Gotta make it man  
I ain't got no choice  
Gotta fill this hall tonight

Helpless

Helpless  
Helpless  
Helpless

I can see the stars  
I can see what's going on

Every night alone  
I sing my song just for fun.

Only time will tell  
If I'll make it myself someday  
This stage is mine  
Music is my destiny.

Cannot squeeze the life from me!

I can see the lights  
but I can see what's going on  
Every night alone  
I sing my song just for fun.

Business in collapse  
Some men don't like it so  
Helpless maybe babe,  
but you can leave or join the show.

Cannot squeeze the life from me!
