Like a siren in my head and there is no emergency,
Like a blind man that is strapped into the speeding
driver's seat,
Like a face that learned to speak, when all it knew was
how to bite,
Like a hurt that keeps me focused though I've think
gone astray,
Like a load of rain that i must awaken from each day.

Like a dream,
A beautiful dream,
Not worthy of so i deny yeah.

You close your eyes and try to wish it all into place,
You never opened them so it passed you by.
You close your eyes so you may never fall from grace,
you open just in time to say goodbye.

Almost like your life,
Almost like your endless fight,
Struggling along,
Balancing in right and wrong,
Why is it so hard,
Always pull the joker card,
Almost like your fight,
And there it went,
Almost like your life.

[Solo]

Like a wound that keeps on bleeding to remind me not
to think,
Like a spring that cannot be in current till it's time to
drink,
Like a puzzel, with missing pieces, and the box is
thrown away.

Like a release from prison that i didn't know i was in,
Like a fight to live the past i prayed to leave from way
back then,
Like a general without a mission until the war will start

again.

You close your eyes and try to wish it all into place,
You never opened them so it passed you by.
You close your eyes so you may never fall from grace,
you open just in time to say goodbye.

Almost like your life,
Almost like your endless fight,
Struggling along,
Balancing in right and wrong,
Why is it so hard,
Always pull the joker card,
Almost like your fight,
And there it went,
Almost like your life. yeah.... ohh yeah.
ohhhhhhhhhh yeaahh.

[Solo]

Like a touch from hell to feel how hot that it can get if
you get caught,
Like a touch from heaven on this breeze that brings you
straight down to your knees,

Like a touch from hell to feel how hot that it can get if
you get caught,
Like a touch from heaven on this breeze that brings you
straight down to your knees,

ohhhh yeaahhh.

Almost like your life,
Almost like your endless fight,
Struggling along,
Balancing in right and wrong,
Why is it so hard,
Always pull the joker card,
Almost like your fight,
And there it went,
Almost like your life.

That was just your life.
