Don't you leave me, Father Time  
Take me with you  
Tell me, does your sun still shine  
Come squeeze the world and drip it down my throat  
again  
Down my throat again

You got to breathe, man, breathe  
Coming up for air  
Breathe man, breathe  
Coming up for...  
Air

Touch me so I think I'm here  
Skin my senses  
Barely breathing

Minus human  
Just squeeze the world  
Drip it down my throat again  
Down my throat again

You got to breathe man, breathe  
Coming up for air  
Breathe man, breathe  
Coming up for...  
Air

You got to breathe man, breathe  
Coming up for air  
Breathe man, breathe  
Coming up for...
