I'm gonna be a rock 'n' roll star
Gotta groove from night to day
Gotta blow my honey jar
Gotta blow my blues away

I'm gonna make a stand, gonna make a million
Gonna make it with you
I'm gonna be right my friend
I'm gonna push it through, ooh, oh

Yeah, it's electric
It's electric
Yeah, it's electric
Yeah, it's electric, ooh, yeah

I stop on red but I leave on amber
Danger face my way
I'm gonna make it my friend
Gonna make it today

Gotta get this dust from my hills
Down the highway I go
Gotta get the stars from my route
Make it in a rock 'n' roll show, ooh, yeah

Yeah, it's electric
It's electric
Yo, it's electric
Yeah, it's electric, woah

I stop on red but I leave on amber
Danger face my way
I'm gonna make it my friend
Gonna make it today

Gotta get the dust from my hills
Down the highway I go
Gotta get the stars from my route
Make it in a rock 'n' roll show, ooh

It's electric

Yeah, it's electric
Yeah, it's electric
Yeah, it's electric

Yeah, it's electric
Yeah, it's electric, yo, ooh, yeah
