I've got somethin' to say
I killed your baby today and it
Doesn't matter much to me
As long as it's dead

I've got somethin' to say
I raped your mother today and it
Doesn't matter much to me
As long as she spread

These lovely dead
Just waiting for your breath
'Cause sweet Death wants Last Caress.

Oh Yes!

These lovely dead
Just waiting for your breath
'Cause sweet Death wants Last Caress.

I've got somethin' to say
I killed a baby and it
Doesn't matter much to me
As long as it's dead

These lovely dead
I'm waiting for your breath
'Cause sweet Death wants Last Caress.

One Last Caress today,
Noohhh Ohhh Noohhh

So fucking what!

Well I've been to Hastings,
and I've been to Brighton.
I've been to Eastport too.
So what.
So what.
Well I've been here,
I've been there.

I've been everying fucking where.
So what.
So what.
So what, so what, you boring little cunt.

Who cares.
Who cares what you do.
Who cares,
Who cares about you, you, you, you, you.

Well I've fucked a queen.
I've fucked fucked.
I've even sucked an old man's cock.
So what.
So what.
And I've fucked a sheep.
I've fucked a goat.
I rammed my cock right down his throat.
So what.
So what.
So what, so what, you boring little fuck.

Who cares.
Who cares what you do.
Who cares,
Who cares about you, you, you, you, you.

I've had crabs,
I've had lice,
I've had the clap and that ain't nice.
So what.
So what.
I've fucked this,
I've fucked that.
I've even fucked a school girl's twat.
So what.
So what.
So what, so what you boring little fuck.

Who cares.
Who cares what you do.
Who cares,
Who cares about you, you, you, you, you, you.

So fucking what!
Yeah
