--- (Last Caress) ---

I've got somethin' to say I killed your baby today and
it Doesn't matter much to me As long as it's dead
I've got somethin' to say I raped your mother today and
it Doesn't matter much to me As long as she spread
Chorus:

These lovely dead I'm waiting for your breath 'Cause
sweet Death wants Last Caress.

Repeat verse 1 Repeat chorus 2 times

--- (Green Hell) ---

Here in this place lies the key to your death Touch it,
see it Here in this place is the means to your end Touch
it, feel it Green hell

You did your best as someone could I bet you never
knew you would Did you run away from it? I bet you
thought you were really good

We're gonna burn in hell Green Hell Green Hell Like
every hell but kind of green Green Hell Green Hell Try
let me get back up there Green Hell Green Hell Feel it
burning in your cereal Green Hell Green Hell Throw our
fuckin' friends inside Green Hell Green Hell Gotta
fuckin' pay and you must stay Green Hell Green
Hell Cannot forget about the best Green Hell Green
Hell Hell is reigning in your blood Green Hell Green
Hell Gotta burn it all Green hell

You did your best as someone could I bet you never
knew you would And did you run away from me I bet you
think they were really good

Here in this place lies the key to your death Touch it,
see it Here in this place sister won't let it in Touch it, feel
it Green hell

You did your best as someone could I bet you'd never
knew you would Did you run away from it? I bet you
thought you were really good You've come to this as
someone told I bet you'd never knew you would Gonna
bring Green hell
