Spineless from the start
Sucked into the part
Circus comes to town
You play the lead clown

Please, please
Spreading his disease
Living by his story

Knees, knees
Falling to your knees
Suffer for his glory, you will

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet

Make a contribution
And you'll get a better seat
Bow to Leper Messiah

Marvel at his tricks
Need your Sunday fix
Blind devotion came
Rotting your brain

Chain, chain
Join the endless chain
Stinking by his glamor

Fame, fame
Infection is the game
Stinking drunk with power, we see

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet

Make a contribution
And you'll get a better seat

Bow to Leper Messiah

Witchery, weakening
Sees the sheep are gathering
Set the trap, hypnotize
Now you follow

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet

Make a contribution
And you'll get a better seat

Lie, lie, lie, lie
Lie, lie, lie, lie
