Spineless from the start, sucked into the part  
Cicus comes to twon, you play the lead clown  
Please, please  
Spreading his disease, living by his story  
Knees, knees  
Falling to your knees, suffer for hid glory  
You will

Time for lust, time for lie  
Time to kiss your life goodbye  
Send me money, send me green  
Heaven you will meet  
Make a contribution  
And you'll get a better seat  
Bow leper messiah

Marvel at his trick, need your Sunday fix  
Blind devotion came, rotting your brain  
Chain, chain  
Join the endless chain, taken by his glamour

Fame, fameInfection is the game, stinking drunk with  
power  
We see  
Time for lust, time for lie  
Time to kiss your life goodbye  
Send me money, send me green  
Heaven you will meet  
Make a contribution  
And you'll get a better seat  
Bow leper messiah

Witchery, weakening  
Sees the sleep are gathering  
Set the trap, hypnotizeNow you follow

Time for lust, time for lie  
Time to kiss your life goodbye  
Send me money, send me green  
Heaven you will meet  
Make a contribution  
And you'll get a better seat

Bow leper messiah
