Thunder and lightning, the Gods take revenge
Senseless destruction
Victims of fury are cowardly now
Running for safety

Stabbing the harlot to pay for her sins
Leaving the virgin
Suicide running, as if it were free
Ripping and tearing

On through the mist and the madness
We are trying to get the message to you

Metal Militia
Metal Militia
Metal Militia

Chained and shadowed to be left behind
Nine and one thousand
Metal militia for your sacrifice
Iron clad soldiers

Join or be conquered, the law of the land

What will befall you
The metalization of your inner soul
Twisting and turning

On through the mist and the madness
We are trying to get the message to you

Metal Militia
Metal Militia

We are as one, as we all are the same
Fighting for one cause
Leather and metal, are our uniforms
Protecting what we are

Joining together to take on the world
With our heavy metal
Spreading the message to everyone here

Come let yourself go

On through the mist and the madness
We are trying to get the message to you
