Don't you leave me Father Time  
Take me with you  
Tell me does your sun still shine  
Come squeeze the world and drip it down my throat  
again!  
Down my throat again woohoo!

You got to breathe man, breathe!  
(Coming up for Air!)  
Breathe man, breathe!  
(Coming up for... Air!)

Touch me so I think I'm here  
Skin my senses  
Barely breathing Minus Human  
Please squeeze the world and drip it down my throat  
again!  
Down my throat again woohoo!

You got to breathe man, breathe!  
(Coming up for Air!)  
Breathe man, breathe!  
(Coming up for... Air!)

You got to breathe man, breathe!  
(Coming up for Air!)  
Breathe man, breathe!  
(Coming up for... Air!)
