Living and dying, laughing and crying  
Once you have seen it you'll never be the same  
Life in the fast lane is just how it seems  
It's hot and it's heavy and dirty and mean

Motorbreath  
It's how I live my life  
I can't take it any other way  
Motorbreath  
The sign of living fast  
It is going to take your breath away

Don't stop for nothing, it's full speed or nothing  
I'm taking down, you know, whatever's in my way  
Getting your kicks as you're shooting the line  
Sending the shivers up and down my spine  
Motorbreath  
It's how I live my life  
I can't take it any other way  
Motorbreath  
The sign of living fast  
It is going to take your breath away

Those people who tell you not to take chances  
They are all missing on what life's about  
You only live once, so take hold of the chance  
Don't end up like others, same song and dance

Motorbreath  
It's how I live my life  
I can't take it any other way  
Motorbreath  
The sign of living fast  
It is going to take your breath away
