Motherfu*kers getting in my head,
Tried to make me someone else instead,

Its my world now
Its my world now
Its my world
Its my world

All these lies comin in my room,
Your a boy ur gonna lie real soon,
Heavy thought got me lost inside,
Im gonna sit right back and enjoy this ride

Its my world you can't have it (Its my world it's My world)
Its my world you can't have it (Its my world it's My world)
Its my world you can't have it (Its my world it's My world)
Its my world oooh Fu*ker

Get out my head
Out my head
Get out my head
Out my head
GET EM OUT

Whos in charge of my head today,
Dancing devils in angels way,

Its my time now
Its my time now
Its my time
Its my time

Look out mother fu*ker here i come,
Im gonna make my head my home
Those sons of bitches try to take my head,
Try to make me someone else instead

Its my world you can't have it (its my world it's my world)
Its my world you can't have it (its my world it's my

world)
Its my world you can't have it (its my world it's my
world)
Its my world oooh Fu*ker

Get out my head
Out my head
Get em out my head
Out my head
GET EM OUT

I only do
I don't know the answer
I don't even know what the question is
I only do
I don't know the answer
I don't even know what the question is

God it feels
Like it only rains on me
God it feels
Like it only rains on me
God it feels
Like it only rains on me
God it feels
Like it only rains on me

I only do
I don't know the answer
I don't even know what the question is
I only do
I don't know the answer
I don't even know what the question is

Oooh FU*CKER

Out my head
Out my head
Out my head
Get em out my head
GET EM OUT

Enoughs enough enoughs enough enoughs enough
enoughs enough
