(Originally recorded by Black Sabbath)

Feel so good, I feel so fine
Love that little lady always on my mind
She gives me loving every night and day
Never gonna leave her, never going away

Someone to love me
You know she makes me feel all right, yeah (all right)
Someone to need me
Love me every single night, yeah

Feel so happy since I met that girl
When we're making love
It's something out of this world
Feels so good to know that she's all mine
Gonna love that woman 'til the end of time

Someone to live for
Love me 'til the end of time, hey, hey-yeah
She makes me feel happy
It's good to know that she's all mine

I am the world that hides
The universal secret of all time
Destruction of the empty spaces
Is my one and only crime
I've lived a thousand times
I found out what it means to be believed
The thoughts and images
The unborn child that never was conceived

You gotta believe me
Hey, I'm talking to you

Well, I know, it's hard for you
To know the reason why
And I know you'll understand
More when it's time to die
Don't believe the life you have
Will be the only one
You have to let your body sleep

To let your soul live on, haha

Wo-oooh

Feel so happy since I met that girl

When we're making love

It's something out of this world

Feels so good to know that she's all mine

Gonna love that woman 'til the end of time

Someone to live for

Love me 'til the end of time, yeah, ooh, oh

She makes me feel happy

It's good to know that she's all mine

She's all mine, yeah

Yo, ooh, yeah
